Sir,

With reference to Government Order
+ not in the file wide copy of the same, enclosure 1 to 30. 27
No.+ 5025-7/50 dated 11th Instant Communicating the decision of Government, that it does not considers it expedient to remove the Head Quarters of the Sub Taluk from Grama, I beg to advert to my letter No. 331+ dated 2nd November 1888 and to solicit sanction at an early date for the increase of the Deputy Amildar's Establishment by a Gumasta on Rs 12/- a Golla on Rs 6/- and a peon on Rs 6/-. The scale will then stand as follows.

+ Sl no 9 21

Present		Revised	
1 Gumasta on	Rs 20.	1 Gumasta on	Rs - 20 -
1 Do.	" 15.	1 Do.	— 15.

2 Peons at Rs 5 each	" 10	1 Goller	— 6
1 Sweeper on Rs 4	— 4	1 Peon	— 6
Total Monthly Cost	Rs 55.	2 Peons at 5 Rs each	— 10
		1 Sweeper on Rs	— 4

The establishment on the larger scale is now sanctioned for the Srinivaspur Sub Taluk of the Kolar District Vide Govt: Order No. 1257-53 dated 19th September 1888. With the exception of one additional peon, what I have asked for in my letter No. 331 for Gauna is identical with what is now sanctioned to Srinivaspur. This additional peon is recommended on account of the large area of the Sub Taluk and also on account of the situation of the Sub Taluk on the high road where demands for services of peons for miscellaneous works are incessant.

Srinivaspur Sub Taluk has only a revenue of 68,610 Rs whereas the last year's Jamabandy of Gauna Sub Taluk was nearly one lakh of rupees being exactly Rs 102949-12-7. I shall not recapitulate the reasons for the necessity for this increase as they are obvious.

Amildar's office represented

by the Deputy Commissioner of Kolar coincides with the result of my Experience in this District. I have already brought this to the notice of Government but only casually in connection with my scheme for the revision of the Deputy Amildar's charge. I now beg to submit my views in detail with regard to the Establishment that would be necessary for the future Sub Taluk of the Deputy Amildar. The Revenue to be collected by him as the revised Sub Taluk would stand at Rs 73,000 which is nearly 5,000 Rs more than the Revenue of Srinivaspur Range as stated in the Proceedings under reply. It will be comprised of 3 Hoblies in a good populous tract of country. At present the work is got through

in the following manner. Of
the two Gumastas given him
one attends to the principal
portion of the principal work
and one of the peons (Jamadar)
assists him in the remaining
portion of his work while the
Gumasta himself takes up
the Revenue work of one of
the Hobles in addition. The 2d
Gumasta has to attend to
all Revenue correspondence
between the District and the
Sub Taluk and other Talukas.
In addition to this, he attends
to the Dushasts and various
other miscellaneous works of
the remaining two hobles.
This work is more than enough
to engross all the attention and
energy of the present Establish
ment. The principal work of
watching the collection and

and of keeping necessary notes of its progress from time to time is now not systematically attended to and there is necessarily some laxity in the arrangement of Records as well as in the maintaining for the local purposes notes in connection with various matters notwithstanding the orders which Exempt the Sub Taluk from all responsibility for accounts - The miscellaneous nature of the work to be done does not admit of its Exhaustive enumeration here, but I have no hesitation whatsoever in recommending that the Establishment of the Sub Taluk in this District should also be enlarged to correspond with the Scale of Srinivasapur - An additional peon will be of great Service and he will not become too many under an Executive officer like
